Sydney, Australia

Product lead with 15+ years shipping FinTech products to millions of users, now designing, building and launching hands-on with AI.

EXPERIENCE

PRODUCT LEAD — AFTERPAY CHECKOUT

Afterpay (Block, Inc.)

Mar 2021 - Present

Sydney, Australia

Own the BNPL online checkout across Cash App and Afterpay — both redirect and on-file (headless) flows — **8M+ monthly users across 5 markets**.

PRODUCT BUILDER SINCE MAR 2026

Moved into a hands-on builder role — shipping end-to-end from concept to live release with **Claude Code, Codex and Claude Design**.

- Designed, built and launched **promo codes at checkout** — used by **1M+ customers** and drove **\$10M+ in incremental purchase volume**.
- Built an **analytics dashboard** visualizing the checkout funnel — now the company-wide view of drop-off and declines.
- Launched **Cash App Afterpay in the US** with a squad of **20+ engineers**, designers and analysts, opening BNPL at Afterpay merchants to **58M Cash App customers**.
- Drove **\$300M+ incremental annualized purchase volume** by optimizing checkout conversion through A/B testing.

SENIOR PRODUCT MANAGER — DIGITAL EXPERIENCE

OFX

Aug 2017 - Feb 2021

Sydney, Australia

- Led two agile squads owning OFX's web portal and mobile apps — **100K+ monthly active users**.
- Relaunched the OFX App: **+200% signup completion rate**, App Store rating **3.0 → 4.8**; won the company-wide Team of the Year award.
- Optimized the money-transfer experience — **+22% transfer completion rate**.

SENIOR PRODUCT MANAGER — MOBILE PAYMENTS

Deutsche Telekom

Jan 2011 - Dec 2016

Bonn, Germany

- Built the **Mobile Wallet** from the ground up on NFC technology and launched it in **4 European markets**.
- Relaunched the app through user testing and a data-driven redesign — **+30% active users**.
